

The Netherlands

75+ young members

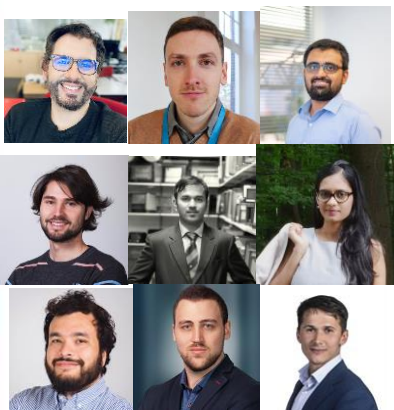

Founded in 2014
Currently with 75+ active members

Organizational structure:

9 board members including 2 ambassadors (PhD students) from Universities.

Events:

- Matchmaking day (1x per year)
- CIGRE Team Days (1x per year)
- NGN webinars (around 2-4x per year)

Very proud of such an active group of younger engineers interested in the energy transition. It has brought new and daring perspectives in the challenges we face. A welcome addition to our knowledge sharing aim at Cigre.
